

Welcome to Blue Skies of Texas West

BSTW has a Social Club (SC). The SC was established because BSTW does not have a liquor license, and the residents wanted a place to socialize over cocktails. The liquor boxes and related SC memberships were created to meet that need. Members can store their liquor, setups, and wine, so one does not have to bring them with you every time one goes to the Road Runner Lounge or dinner.

- Boxes may be purchased through the Social Club from an owner for \$500.
- Sharing a box is encouraged and if that is the case, two residents may purchase a box for \$250 apiece.
- If no boxes are available, you may elect to be placed on a waiting list.
- The Road Runner Lounge is open to all residents; however, SC members have a private event on the last Friday of the month (Final Friday Fling) in the Road Runner room. Only box owners may attend this event.
- To purchase a box or be placed on a waiting list, contact the chairman of the SC steering committee, Ralph Kelly by email at popeye007@earthlink.net
